Dear Mr Lalhave Rao,

1) When I saw you last Monday I mentioned the extrere difficulty experienced by the Asso iation for oral & social hygiere in runni their escue Home (Abhaya Ashram) and the desire of the E ecu tive Committee of the Asso iation to send a deputation to wait on you and make represe tations. You were so kind as to say that, instead of a deputation, it would be enough if I (as Vice-President of the As ociation) wrote to you about the matter

Grant

2) The Government/to the Ashram was increased from Rs 100/- to Rs 150/- in the year 1938-39 At the time the averare number of inmates was 11 Now it is 33 The cost of provisions and firewood has gone up nearly 100% Salaries, expenditure on clothing, and salaries to staff have risen appreciably Recently we have appointed a trained lady matron (Miss Subhramma Visvanatha Rao) as Superintendent of the Home

3) The present monthly income and expenditure are exhibited in the subjoined statements-

and arrears of Government grant to be now drawn from the Treasury, we can hold on till May, but not beyond We earnestly request therefore that the Government grant may be raised to Rs 300/- from this month, at least temporarily for the period of the present abnormal conditions In this connection it may be mentioned that in Madras the Government grant to the Rescue Home run by the Vigilance Association is in two parts, one a fixed monthly grant towards cost of staff and other fixed expenditure, and another, a variable per capita grant for the maintenance charges of the inmates

5) There is one other point that I must mention You may remember that Government have been pleased to promise a site beyond the Dental Hospital for the construction of suitable buildings for the Ashram, and also a building grant, when the Association is ready with some funds of its own for the purpose We have not been able to proceed with this matter so far, one chief reason being that the site proposed is too far from the City If we get a site somewhere nearer to the main centres such as in Mavalli or Kalasipalyam we feel we could get adequate public support for the construction of suitable buildings We would be very grateful if the Government would view this request also sympathetically
